HTML/CSS, SCSS, JavaScript,
Python, Java.

Frameworks / Librerías

React, Node, Express, Flask,
Bootstrap.

Tools

VS Code, Git, GitHub, MongoDB,
PostgreSQL.

Languages

Spanish Native

Englisg B2

Personal Profile

I am a web developer with great troubleshooting skills, teamwork, ease of learning and a great desire to learn. I have a degree in Telematics Engineering, but currently I am focused on programming. I have experience working with frontend technologies such as React, HTML and CSS, but I'm interested in server side technologies as well.
